8. The Program Funds disbursed on behalf of the Owner shall be as follows:
 - a. The total amount of the Program Funds shall constitute a loan to the Owner. (hereinafter referred to as the "Loan"). The following terms and provisions shall apply to said Loan:

- i. In return for the Village providing the monies for the Loan to the Owner, the Owner promises to repay to the Village the Loan amount in full in accordance with the terms and conditions of this Agreement. The Owner will make all payments under this Agreement in the form of United States Dollars. The Owner will repay to the Village in full the Loan amount on or before the Maturity Date set forth in paragraph 8.a.ii, below. Payments will be made and delivered to the Village in the manner set forth in paragraph 8.a.iv, below.
- ii. The term of such Loan shall be _____ () months [CALCULATE NUMBER OF MONTHS BY DIVIDING THE LOAN AMOUNT FROM THE MONTHLY PAYMENT AMOUNT: \$40.00 PER MONTH FOR LOW AND MODERATE INCOME; \$80.00 PER MONTH OTHERWISE] from the date on which the Village first disburses any Program Funds under this Agreement (hereinafter referred to as the "Maturity Date").
- iii. There shall be no interest charged to the Owner for the Loan if it is repaid in accordance with the terms of this Agreement. Notwithstanding the foregoing, in the event the Owner has not repaid the Loan to the Village in full by the Maturity Date, then thereafter interest will be charged on the unpaid balance of the Loan at the annual rate of nine percent (9%) until the full amount of the principal and interest of the Loan has been repaid to the Village.
- iv. The Loan shall be repaid to the Village in monthly installments in the amount of _____ [INSERT \$40.00 PER MONTH FOR LOW AND MODERATE INCOME; \$80.00 PER MONTH OTHERWISE] until the Loan amount has been repaid in full (hereinafter referred to as the "Loan Installments"). The Loan Installment shall appear as a monthly charge on the Owner's water utility bill. The Owner agrees that the Owner's Loan Installments shall be considered a part of the Owner's sewer and water service charges for all purposes, including the remedies set forth in paragraph 8.a.x of this Agreement. The Owner further agrees that any payments from the Owner received by the Village shall first be applied to any outstanding Loan Installments then due and owing, and shall then be applied to other charges incurred for sewer and water service, in the Village's sole discretion. In addition to the other remedies set forth herein, the failure of the Owner to pay a Loan Installment by the date on which it is due shall subject the Owner to the provisions of the Village Code relating to late payments, including but not limited to the imposition of late payment charges.
- v. The Owner agrees that the Loan from the Village shall constitute a lien on the Subject Property, and the Owner further agrees to sign the Lien Agreement attached hereto as Attachment B. Upon the Owner's receipt of the Loan, the Village shall record said lien against the Subject Property at the Owner's sole cost and expense as security in the event the Owner fails to repay the Loan, breaches this Agreement in any manner, or attempts to convey the Subject Property prior to full repayment of the Loan. Upon full repayment of the

Loan, including any applicable interest charges that may have been incurred, the Village shall perform all necessary actions to release the lien that has been recorded against the Subject Property. The Owner shall cooperate with the Village and shall execute any and all documents as may be necessary to perform the intended effect of this Agreement, including, but not limited to, executing all documents necessary to correct any errors or omissions.

- vi. The Owner agrees that, in the event the Owner wishes to sell, convey, or otherwise transfer the Subject Property during the term of this Agreement, then the entire amount of any unpaid balance on the Loan, including any applicable interest and/or late payment charges that may have been incurred, must be repaid in full prior to or concurrent with any such sale, conveyance or transfer. The promise to repay in full of the entire amount of any unpaid balance on the Loan and any applicable interest and/or late payment charges prior to or concurrent with any sale, conveyance, or transfer shall be a condition to the Loan. The Owner admits that the Village has relied on said promise in the issuance of the Loan, and that but for said promise, the Loan would not have been issued by the Village.
- vii. The Owner has the right to make payments of principal of the Loan at any time before they are due. The Owner may make a full prepayment or partial prepayments without paying a prepayment charge. Notwithstanding anything to the contrary in this Agreement, no partial repayments by the applicant of the Loan shall constitute or be construed as a waiver by the Village of the right to receive the full repayment of the Loan plus any applicable interest charges that may have been incurred.
- viii. In addition to any other remedies available to the Village, if the Owner does not pay the full amount of the Loan by the Maturity Date, or if the Owner does not make a Loan Installment by the date on which it is due, the Owner will be in default. If the Owner is in default, the Village may send a written notice telling the Owner that if they do not pay the overdue amount by a certain date, the Village may require the Owner to immediately pay the full amount of the principal of the Loan which has not been paid and any interest that it owes on that amount. That date must be at least thirty (30) days after the date on which the notice is mailed to the Owner or delivered by other means. If the Village has required the Owner to pay immediately in full the Loan as described in this subparagraph, the Village will have the right to be paid back by the Owner for all its costs and expenses in enforcing this Agreement to the extent not prohibited by applicable law. Those expenses shall include, but not be limited to, reasonable attorney's fees.
- ix. In addition to any other remedies available to the Village, the Owner agrees that in the event that the Loan is not repaid in accordance with the provisions set forth in this Agreement, the Village may commence legal action against the Owner to collect the Loan and/or to enforce its lien on the Subject Property

in accordance with the terms of this Agreement. The Owner agrees that the Village shall also be entitled to collect from the Owner its attorney's fees and costs for commencing any such legal action.

- x. In addition to any other remedies available to the Village, the Owner agrees that the Owner's failure to pay the full amount of the Loan by the Maturity Date, or the Owner's failure to make a Loan Installment by the date on which it is due, shall constitute an adequate and sufficient basis to shut-off and/or disconnect the Owner's water and sewer service, in accordance with the applicable provisions of Sections 50.44(B) and 50.44(D) of the Village Code.
 - xi. The Loan provided for herein shall have a one-time service fee payable by the Owner to the Village in the amount of fifty dollars (\$50.00) (the "Service Fee"). The Service Fee shall be added to the first billing statement of the loan repayment period, in addition to the amount of the first Loan Installment.
 - xii. Any interest, late payment charges, or any other amounts that are incurred by the Owner relating to this Agreement shall be considered a part of the Loan for all purposes under this Agreement.
 - xiii. The provisions of these paragraphs 8.a.i through 8.a.xiii, inclusive, shall survive any termination of this Agreement, and shall not be construed as a limitation on any other of the Village's rights under law or equity.
9. In the event the Owner breaches or otherwise fails to perform any of the terms or provisions of this Agreement, the available remedies to the Village shall include, but not be limited to, the immediate termination of this Agreement and the forfeiture by the Owner of any Program Funds. In the event of such termination and forfeiture, the Owner shall repay to Village any Program Funds paid by the Village to the Owner, or to a plumber on the Owner's behalf, upon thirty (30) days written demand. It is expressly agreed that the nonpayment or failure to make timely payment of a Loan Installment shall constitute a breach of this Agreement. In addition, the forfeiture and/or repayment of such funds by the Owner shall not be construed so as to constitute a waiver or relinquishment of any other rights which may be available to Village at law or equity. This provision shall survive any termination of this Agreement, and shall not be construed as a limitation on any other of the Village's rights under law or equity.
10. Notwithstanding any other provision of this Agreement it is expressly agreed and understood that in connection with the performance of this Agreement that the Owner shall comply with all applicable Federal, State, local and other requirements of law, including, but not limited to, any applicable requirements regarding prevailing wages, minimum wage, workplace safety and legal status of employees. Without limiting the foregoing, Owner hereby certifies, represents and warrants to the Village that all Owner's contractors and/or agents who will be providing products and/or services with respect to this Agreement shall be legal residents of the United States. Owner shall also at its expense secure all permits and licenses, pay all charges and fees and give all notices necessary and

incident to the due and lawful prosecution of the work, and/or the products and/or services to be provided for in this Agreement. The Village shall have the right to audit any records in the possession or control of the Owner to determine Owner's compliance with the provisions of this section. In the event the Village proceeds with such an audit the Owner shall make available to the Village the Owner's relevant records at no cost to the Village.

11. Unless applicable law requires a different method, any notice that must be given to the Owner under this Agreement will be given by delivering it or by mailing it by first class mail to the Owner at the Subject Property, or at a different address if the Owner gives the Village a notice of a different address for the Owner. 12. The Owner and any other entity which has obligations under this Agreement waive the rights of Presentment and Notice of Dishonor ("Presentment" means the right to require the Village to demand payment of amounts due. "Notice of Dishonor" means the right to require the Village to give notice to other persons that amounts due have not been paid).
13. The failure by the Village to enforce any provisions of this Agreement against the Owner shall not be deemed a waiver of the right to do so thereafter.
14. In the event the Owner fails to commence the Work or fails to complete the Work within the times specified by the Village pursuant to Paragraph 5 of this Agreement, the Village shall have the right, in the Village's sole option and discretion, to immediately terminate this Agreement without liability to the Village. In the event the Village terminates the Agreement for the reasons set forth herein, the Owner shall refund to the Village any Program Funds paid by the Village to the Owner, or paid to any contractor on behalf of the Owner, upon thirty (30) days written demand. The repayment of such funds by the Owner shall not be construed so as to constitute a waiver or relinquishment of any other rights which may be available to Village at law or equity. This provision shall survive any termination of this Agreement, and shall not be construed as a limitation on any other of the Village's rights under law or equity.
15. The Owner acknowledges that the Owner's obligation to pay the Loan amount, including any applicable interest and late charges that may have been incurred, and any other monies which become due to the Village pursuant to this Agreement is and shall at all times constitute to be absolute and unconditional in all respects, and shall at all times be valid and enforceable irrespective of any other agreements or circumstances of any nature whatsoever which might otherwise constitute a defense to this Agreement or the obligation of the Owner hereunder to pay the monies due pursuant to this Agreement.
